## Education

**Carnegie Mellon University** | Aug 2016 - Aug 2017

Masters in Human Computer Interaction

**University of Toronto** | Sept 2009 - June 2014

BA Architectural Design, BA East Asian Studies

## Experience

**Co-Founder & UI/UX Designer** | **Adae** | Nov 2015 - June 2016

Co-founded and developed a P2P web start up for goods and services. Designed a unique mobile payment system.

In a team of 5, led the development team throughout the product life cycle. Gained valuable experience in pivoting and working on MVPs within time & budget constraints.

**UI/UX Designer** | **Arima.io** | Nov 2014 - Nov 2015

Completely re-designed and re-launched a web product which visualized data collected from fun, interactive polls and comments.

Learned how to communicate with developers and how to design within dev cycles and constraints. Met and pitched to VCs, gained valuable experience in a lean start up.

**Visual/UI Design Intern** | **Teranet Inc.** | May 2013 - Sep 2014

Worked with a large team of developers and designed the UI of an iPad app for real estate agents, as well graphics for the marketing team.
