Work Experience

Google | UX Designer (via Artech)

I am working on the Google Maps experience, with focus on Driving and Navigation.

Oct 2017 - Present

Adae | Co-Founder & Product Designer

Co-founded and built a P2P start up for goods and services. Designed a unique mobile payment system. Gained valuable experience in pivoting and working on MVPs within time and budget constraints.

Nov 2015 - June 2016

Arima.io | Product Designer

Completely re-designed and re-launched a web product which visualized data collected from fun, interactive polls & comments. Learned how to communicate with developers and how to design within dev constraints. Pitched to VCs, learned how to be agile.

Nov 2014 - Nov 2015

Teranet Inc. | Product Designer

Worked with a large team of developers on the UI of an iPad app for real estate agents, and ads for the marketing team.

May 2013 - Sep 2014

Notable Projects

Design Lead, Zazzle - CMU MHCI Capstone

Working with Zazzle, our team delivered a Hi-Fi prototype aimed at strengthening young people's relationships. Informed by in-depth UX research methods, I was in charge of UI, UX, and visual design activities.
