Education

Carnegie Mellon University | Aug 2016 - Aug 2017
Masters in Human Computer Interaction

University of Toronto | Sept 2009 - June 2014
BA Architecural Design, BA East Asian Studies

Experience

Adae | **Co-Founder, Product Designer** | Nov 2015 - June 2016

Co-founded and developed a P2P web start up for goods and services. Designed a unique mobile payment system.

In a team of 5, led the development team throughout the product life cycle. Gained valuable experience in pivoting, and working on MVPs and within time constraints.

Arima.io | **Product Designer** | Nov 2014 - Nov 2015

Completely re-designed and re-launched a web product which visualized data collected from fun, interactive polls.

Learned how to communicate with developers and how to design within dev cycles and constraints.

Participated in VC pitches and meetings, gained valuable experience in how to run a start up.

Teranet Inc. | **Visual/UI Design Intern** | May 2013 - Sep 2014

Worked closely with the Marketing Team in the creation of graphics, web/print ads, and marketing strategies.

Worked with a large team of developers and designed the UI of an iPad app for real estate agents.
